

Registration Form First European CanSat Competition

Contact Details

Teacher's name & email	
CanSat Team name	
School name & address	
Country	

Organisation

Describe your team organisation	<i>Please note that you are responsible for all aspects of your experiment (science, mechanical & electrical engineering, software, etc.)</i>
Who are the team members and how will you organise / distribute work within your team?	
Where will you work on your CanSat? Do you have access to a workshop / laboratory?	
When will you work on the CanSat and how will you distribute the time?	
How do you plan to finance your expenses? Are you supported by your school / sponsors?	
Do you have all the material and equipment needed for your experiment? If not, how will you obtain it?	<i>e.g. Pratt Hobbies CanSat kit, Arduino components, necessary tools</i>

Scientific mission

Describe your secondary mission	<i>Some examples of secondary missions are described in the guidelines but the teams are free to choose or invent another mission.</i>
What is the secondary mission that you have chosen for your CanSat?	
What is the scientific, innovative objective of this secondary mission?	
Where did you get the idea from? e.g. from a real satellite mission, other CanSat competitions, scientific publications, books, etc.	
Which data do you want to measure or which experiment do you want to carry out?	
How do you want to take measurements? How are you going to measure their accuracy?	
What do you plan to do with the results after the flight?	

Outreach Programme	
Describe your outreach programme for before, during and after the CanSat Competition.	<i>How are you planning to present your experiment to the public? e.g. newspaper, local radio, webpage, presentation at the school, etc.</i>

**Before you submit your proposal, please ensure that you have read the Competition guidelines available at www.esa.int/education
To submit your proposal to ESA, please register at www.joinspace.org and download this application form as a Word file. The completed form must be uploaded again by 25 January 2010.**
